EDITOR'S LETTER

Have you ever wondered what we do once we've put the finishing touches to another issue of *Mayfair*? Well, of course we have a drink or three to celebrate, but then it isn't very long before we start scoping the options for the following issue – after all, drinking's all fine and dandy, but compared to looking at gorgeous women taking their clothes off it comes a very poor second indeed! Like you need me to tell you that...

TAX RELIEF

Dear *Mayfair*,
I've been faithful to my missus for as long as we've been together. We have two kids, a lovely house, we get on great and we do love each other. However, our sex life is seriously lacking and it does get me down. My sex drive is still as high as ever, but Jenny's went right down after our second child. It bothers me, but not enough to stray. That is, until recently.

It was only when I became self-employed six months ago and went to see an accountant, that I met Tamsin. I was expecting a guy, so when this blonde walked out into the reception waiting area and called my name, I was completely taken by surprise. She led me into her office and invited me to sit down. I fancied her straight away, and I had the distinct impression that she felt the same – though I certainly wasn't sure enough of myself to make a move!

As she went through the paperwork and explained everything we kept making eye contact and it was pretty intense. The chemistry between us was palpable, which is something I have rarely experienced. I had to concentrate on not getting hard, focusing on the boring stuff she was telling me about, rather than her sexy smile, the way she tucked her hair behind her ear, licked her lips or her perfectly rounded boobs, encased in a pale silk shirt.

The meeting went quickly and, before I knew it, she was standing up and holding her hand out for me to shake. I was caught off guard for a moment and felt a bit flustered as I took her delicate hand, before gathering up my papers and getting out of her office quickly.

That night, after my wife had gone to bed, I admit that I had a wank while thinking of Tamsin. I imagined how she would look with her skirt around her knees, bent over her desk as I ploughed my cock deep inside her pussy. As I thought about cupping her tits and pushing myself balls deep, I shot my load, jizz spraying all over my stomach.

Because I had wanked over her, I felt a bit nervous the next time I had an appointment with Tamsin. When she looked at me and smiled, I almost felt like she knew! Our flirting became even more obvious this time and, when she handed me a form to fill in and brushed her fingers lightly against my hand, I absolutely knew that she was into me. I played it as cool as I could, nonchalantly doing the paperwork presented to me, before casually asking if I could come back tomorrow, as there were a few more things I felt like I needed to discuss. She grinned, cottoning on to what I meant, and told me that she was booked up the next day, so I would have to come and see her during her lunch break, while everyone was out of the office. I thanked her and left, once more wanking over her that night.

> SHE OPENED HER MOUTH AND WRAPPED HER LIPS AROUND MY HELMET, KISSING IT GENTLY...

The following day at 12:55, I was unbelievably nervous, tense with anticipation. I wasn't sure what would happen, but I knew what I wanted to happen. I sat in the waiting area, watching as all the staff disappeared for their lunch, one by one. Then, Tamsin appeared and smiled that sexy smile at me, beckoning me into her office. I walked in past her and, as she closed and locked the door behind her, she turned to me and we pounced on each other, without saying a word. It was like we had no need to converse, that the attraction between us was so strong that it didn't need voicing. We kissed passionately, eating each other's faces,

RED LETTER DAY

Dear *Mayfair*,
I had to write in to say thank you for your latest selection of pictures of Roxi Keogh and her stunning red hair! I bet she turns heads wherever she goes with that barnet – let alone given the rest of the package. And while it's always a pleasure to bear witness to her fabulously inviting pussy, it was actually the picture on page 27 that really blew me away – such a classy pose from a girl who's clearly entirely comfortable with her own sexuality. I only wish I had the opportunity to get comfortable with her sexuality as well...

pushing ourselves together and running our hands over the other's body. It was so fucking sexy.

I have no idea how long we snogged for, but when we broke away, Tamsin wasted no time in dropping to her knees and unzipping my fly, her hand sneaking inside my boxers and removing my hardened cock from its confines. I gasped, not quite believing my luck. She opened her mouth and wrapped her lips around my helmet, kissing it gently before sucking me inside her warm mouth. It felt so good! I couldn't remember the last time my missus had given me a blowie so I was enjoying every moment of this! Tamsin took me deep, right to the back of her throat so she gagged, before licking the length of my shaft, stopping to take my balls in her mouth in turn. She was so horny!

After a few minutes, I was desperate to taste her. I'd rubbed her fanny a bit through her skirt, but I wanted to get my lips on her lips and taste her juices. I told her to bend over the desk and, as she did, I lifted her skirt up and pulled her knickers down. Kneeling behind her, I stuck my tongue out, running it first up and down her slit, enjoying the little mewing noises she was making. Then, I made my tongue as rigid as I could, before shoving it as far into her pussy as I could, sucking up her musky juices, burying my face in her crack. It was amazing!

But, as good as all this oral was, I needed to get my dick wet. I stood up, grabbed a condom from my back pocket and rolled it on smoothly, all the while using my thumb on her clit, keeping her on the boil. As soon as I was covered, I pulled her cheeks wide apart so her pussy gaped, the wetness dribbling out of her hole, and bumped the tip of my cock up against her, pushing slowly until she enveloped me with her moist cunt. She groaned loudly as I filled her up, my length disappearing into her velvet gash, until I felt my balls slap against her. This turned me on further, and I began to thrust rhythmically, grunting as I sawed in and out of her tight hole. She pushed back against me, snarling, "fuck me", as she did.

It was so fucking horny, shagging her across her desk from behind, hearing those filthy words come out of her beautiful mouth that I knew it wouldn't take me long – and it didn't! As I slammed into her hard, I felt my balls tighten and I uttered the words, "I'm coming", as she yelped that she was too, her vaginal muscles tightening around my tool as I pummelled into her as hard as I could. I managed to hold off for a moment, until I felt her orgasm come in waves, then subside, then I let myself go – thrusting harder and faster until I came too, shooting my load into the rubber.

We stayed there for a few moments, catching our breath, and when we finally broke apart to clean and straighten ourselves up, Tamsin surprised me by suggesting that we repeat the experience next week. I was bowled over – I was not expecting that at all! She knew I'm married, so I thought this'd be a one-off thing.
We did hook up again the following week, and the week after that. In fact, Tamsin and I have been secretly fucking for around 6 months now. Who knew going self-employed could be such a tremendous move?!
John, Scarborough

THE BIG GRAPPLE

Dear *Mayfair*,
I thought your readers might like to hear what happened to me a few weeks ago whilst on a short business trip to New York. Upon arrival, my company agents met me at the airport and put me up in a rather nice hotel on the outskirts of the city, which was perfectly adequate. It was late in the afternoon by the time we arrived at the hotel, so after a quick shower I decided to go down to the bar for a few drinks before dinner. The hotel bar was quite full, mainly with guys, most of whom appeared to be local. In fact there was only one female worth looking at, and that was the barmaid. I'd guess that she was in her early thirties. She had short blonde stylish hair, blue eyes, a nice trim figure with a lovely round shapely bum, which was only too obvious in her tight fitting black trousers. She was very popular with the locals.

I had four beers altogether, taking every opportunity I had to admire her cute round arse. When she finally brought me my tab I noticed that she had only charged me for two beers. I pointed this out to her, but she looked at me intently and told me that she never made mistakes, then just before she picked up the tab she gave me a wide smile and winked at me.

When I went into the restaurant for dinner, I couldn't stop thinking about the barmaid and that suggestive wink. After I'd eaten, I went back to the bar but was disappointed to find that the barmaids had changed. I bought a beer anyway, and just when I was about to leave, I noticed the barmaid that had been serving earlier was sat at a table alone, at the far end of the room. I approached her and asked if I could return the favour and buy her a few beers. She agreed, but said she didn't want to be seen with me in the hotel where she worked, so we quickly left and Julie drove us to a small town nearby.

We went to several small bars over the next few hours, chatting away and playing pool, before she drove me back to the hotel.

Towards the end of the evening, Julie's mood seemed to change, but I couldn't fathom why until we got back to the hotel. We were sat in the car, in the car park at the rear of the hotel when Julie told me that I offended her because not once during the evening had I tried to kiss her. I told her that I didn't want to seem presumptuous, and tried to explain that Englishmen were probably a little more reserved than her fellow Americans. She didn't seem convinced, so assured her that I found her very attractive and that I very much wanted to kiss her. I then asked if she wanted to go up to my room. She said that she did, we got out of the car and sneaked up the back steps and into my room.

As soon as I closed the door, Julie took off her jacket and work waistcoat, rolled up the sleeves of her white blouse, then stood there with her hands on her hips and said, "Right, now I'm going to teach you a lesson for ignoring me all night. I'm going to tease

TOUCHING BASS

Dear *Mayfair*,
I used to play bass in a band, and fancied myself as quite a good player, but I never fancied myself as much as I fancied Cara Brett with her bass guitar on the cover of your latest issue (52.08)! With her leather jacket, torn denims and (most importantly) spectacular boobs on display, she looks like just the sort of girl I craved would be a groupie for my own band but who sadly never was. We did get a few groupies, but sadly none of them in Cara's class – at least none who got round to the bass player! All that was a good 25 years ago now, but those pictures of Cara posing with the bass and drums brought the good time flooding back!

Perhaps it's because of her Greek heritage, but are we alone in thinking that Zoi here has the air of some sort of ancient goddess? You can just imagine her stepping out of the see and dazzling some poor mortal into committing some kind of terrible mistake that results in a war or the destruction of his household, can't you?

"I'd like to think I wouldn't be toying with the mortals quite like that!" she laughs, "but if you meant the comparison to a Greek goddess as a compliment, I'll take it as one!"

THE PERFECT PAIR

Dear *Mayfair*,
Jada Cameo and Dannii Harwood in the same issue? I've got a little stash of *Mayfairs* that are all-time keepers, and your latest issue will definitely be joining that select pile! And not only the girls themselves to give thanks for – they're both sporting fabulous lingerie that only serves to further heighten the delight in looking at their pictures. Jada, I'm delighted to say, keeps her stockings and suspenders on throughout, but then if Dannii insists on taking all her underwear off, I'm not the sort of guy to complain too much. Sheer perfection, and my compliments to them both!
Duncan, Canterbury.

you so much until you are pining for me, you limey son-of-a-bitch". This all sounded fine to me!

Julie told me to lay on the bed fully clothed. She then knelt on the bed with her legs astride of mine as she slowly unbuttoned her blouse and flung it onto the floor. I could tell that she had nice firm tits, and more then a handful, but unfortunately she kept them concealed in her bra. She unbuttoned my shirt before slowly bending down to kiss me lightly on the mouth, before moving her kisses to my neck and ear lobes, down onto my shoulders, and gradually working her way down my chest and stomach, covering me with light brushing kisses. I tried to reach for her tits, but she pushed me away, tutting. She then leant back and unclipped her bra. Her firm tits bounced out and looked every bit as good as I had imagined. I couldn't wait to suck on her bullet-nipples. Next, she unzipped her tight black trousers and slowly eased herself out of them, leaving just her pretty white panties on. She looked at the large lump in my trousers, my pulsating cock straining to be released. She smiled wickedly, then bent forward and began kissing me lightly as before, starting with my mouth and neck then slowly working her way down my body, but this time her bare tits occasionally brushing against my skin. When she got down to my stomach, she gently rubbed the hard lump in my trousers with her hand, toying with my zip, enjoying my reaction

"Are you pining for me yet?" she asked. I told her that I was, in fact that I was desperate for her. She continued rubbing my cock through my trousers for a while then finally she began to unzip me. My cock sprang out, throbbing uncontrollably. She removed my trousers and underpants completely, then began to kiss me lightly

> SHE STRADDLED MY HIPS AND SLOWLY LOWERED HERSELF ONTO ME…

as before. She eventually mouthed her way down to my pubes and worked her way down the inside of my thighs, then back up to my groin. She licked and gently fondled my balls before probing her tongue deeper and deeper downwards to my arsehole, licking my anus and occasionally flicking the tip of her tongue inside. No woman had ever done this to me before and I must admit the sensation was quite delicious. When she finally surfaced, she ran her tongue back up to the base of my cock. Licking up and down my shaft, exploring every contour, she then started on my swollen helmet, flicking her tongue right around the rim and occasionally putting the end of my cock between her moist lips. Slowly, more and more of my shaft sank into her luscious wet mouth, and she began to suck.

I was so turned-on by now, that I was sure that I'd explode into her mouth if she didn't stop soon. She must have realised this, and probably tasted some of my pre-come, because she stopped sucking. She said nothing, her eyes transfixed on my throbbing tool, as if in a trance, and I sensed that her own earlier self-restraint was now beginning to weaken. Rather abruptly, she thrust her hand down her flimsy knickers, giving me a quick glimpse of her fair pubic bush for the first time, and she began to rub her slit.

A sense of urgency had now obviously taken over from her earlier self control, and she knelt up, quickly removed her pants and tossing them hastily aside, before moving herself up my body, her pink slit glistening between her pubes. She straddled my hips and slowly lowered herself on to me. The head of my cock parted her pink lips and gradually sank into her wet hole, until eventually her buttocks sat on my thighs, my cock completely buried. Julie let out a soft moan, and then began to ride my cock in a steady rhythm. She soon began to pant as she approached an orgasm, which was just as well, because I knew that I couldn't last much longer, after such a long, teasing build-up. I felt the familiar twitch of my cock, followed by an eruption of spunk as I shot several spurts of my hot juice right up her twat. Julie groaned and grunted, and her whole body shuddered as her own orgasm hit her. When she'd finished climaxing, she collapsed on top of me, my cock still inside her and our sticky juices slowly seeping out of her pussy, down into our pubes. She whispered into my ear, "I needed that", then slowly climbed off me and began to gather her belongings. She didn't hang around and once she was dressed she left.

The following morning I realised that Julie had forgotten her waistcoat. It was quite early and I had only just got out of bed when there was a knock on the door. I was hoping she'd be able to stay for round two, but she had to get to work. I made sure I was hanging around the bar that night, though, so when her shift finished, we decided to grab a couple of bottles of fizz and go to my room. All I'll say is that for the three nights I stayed at that hotel, Julie made my stay more than memorable!

Et voila! Yep, it's another Mayfair newbie, introduced in a foreign language on account of her rather unusual name. So tell us, Viola, how did you end up with that one?

"It was because my Dad used to play the viola, I think. I know it's a bit unusual, but I kind of like it – it's like Violet but a little bit unique. I got teased a bit at school, but didn't everyone, one way or another? And once I started growing boobs the boys stopped picking on me pretty quickly!"

Yep, with a pair of lovely boobs like those I think guys are always going to be nice to you, even if you old man had played the trombone!

AN EYE ON THE FAST!

What do you call a car that's superfast? Ferrari have come up with an ingenious solution!

The first and most difficult challenge Ferrari always faces when it decides to develop a new model is to push the boundaries of its own achievements yet again. This challenge is made all the tougher when the task at hand involves designing a new 12-cylinder engine, the power unit that hailed the start of the glorious Prancing Horse story 70 years ago in 1947.

Designed, as you might expect, by Ferrari Design, the new 812 Superfast redefines the formal language of front-engined V12 Ferraris' proportions without altering either its exterior dimensions or interior space and comfort.

Seen in silhouette, the 812 Superfast has a fastback sleekness: a two-box design with a high tail reminiscent of the glorious 365 GTB4 (Daytona) of 1969, visually lowering an aggressive rear spoiler designed to guarantee downforce. The draped design of the flanks visually shortens the tail and is characterised by sharply slanted crease lines and impressively muscular wheelarches that imbue the 812 Superfast with the power and aggression warranted by its imposing V12. Full-LED headlights integrated into the design of the sculpted air intakes on the bonnet also emphasise that front muscle, integrating with, and wrapping around the front wheelarch.

The 812 Superfast's sumptuously sculptural, three-dimensional flanks are characterised by a striking vent behind the front wheels designed to suck high-pressure air from the wheelarches and then channel it along the doors. The rear diffuser includes a suspended splitter that increases the diffuser surfaces by turning them into bi-plane wing, allowing the air to be drawn between the lower diffuser and the splitter. At the rear, four round tail-lights inspired by Ferrari tradition emphasise a design crafted around horizontal lines and give the 812 Superfast a broad, imposing stance, visually lowering both spoiler and the very compact cabin without, however, sacrificing its space or that of the boot.

The biggest challenge Ferrari tackled with the 812 Superfast was to design the most powerful road-going engine in the marque's history whilst cutting fuel consumption and emissions, and, naturally, retaining the inimitable Ferrari 12-cylinder soundtrack. At the development stage, the engineers set themselves the goal of exceeding the specific power output of the F12berlinetta's V12 which itself delivered class-topping performance. To do so, they decided to focus their efforts principally on optimising the intake system and combustion efficiency to fully exploit the increase in the engine's displacement from 6.2 to 6.5 litres. These aspects increased the maximum amount of air that could be drawn into the engine (and thus its power output) thereby boosting its efficiency.

Particular attention was paid to calibrating the Manettino settings to enhance the engine's potential and the sensation of extreme power delivered by the car. That said, the driver will always be able to easily and confidently dose the massive torque available with the accelerator pedal, thanks to smooth, progressive power delivery at all engine speeds. A significant 80% of maximum torque is available at just 3,500 rpm, improving both flexibility and pick-up at lower revs. The shape of the power curve, which rises constantly all the way to the maximum revs of 8,500 rpm, and the rapidity with which engine speed increases, thanks to low inertia, give occupants the feeling of boundless power and acceleration. The exhaust system geometry was evolved to increase and balance the sound from the engine compartment and tailpipes, with a 6-into-1 manifold. The aim being, of course, to enhance the car's already extreme, sporty character. The resulting engine sound is strong and smooth inside the cabin in all driving conditions.

The new 812 Superfast is fitted with Ferrari's F1 dual-clutch transmission which has been further evolved to meet the car's track driving performance targets and cope with the boost in maximum revs to 8,900 rpm. The gear ratios on all of the gears have been shortened by an average of 6% to exploit the extra performance and higher revs to the fullest as well as to improve the car's acceleration without compromising pick-up in higher gears.

The 812 Superfast is the first Ferrari to introduce Electric Power Steering (EPS) which, in line with Ferrari tradition, is used to fully exploit the potential of the car in terms of performance by integrating it with all of the electronic vehicle dynamics controls. The integration of the EPS enabled Ferrari's engineers to introduce functionalities to support the driver's performance experience by means of the primary interface with the road: the

> THE BIGGEST CHALLENGE WAS TO DESIGN THE MOST POWERFUL ROAD-GOING ENGINE IN THE MARQUE'S HISTORY.

"THE SHAPE OF THE POWER CURVE GIVES OCCUPANTS THE FEELING OF BOUNDLESS POWER AND ACCELERATION."

steering wheel. Ferrari Peak Performance (FPP): when cornering, the steering wheel torque will provide the driver with an indication that the car is getting closer to its limit of grip, helping the control of that dynamic state. Ferrari Power Oversteer (FPO): in case of oversteer, most frequently induced while powering out of corners, the steering wheel torque will give the driver feedback to give steering wheel inputs that are coherent with realigning the car correctly.

The cabin has been radically redesigned to imbue it with an even sportier character. Light, compact volumes hug the contours of the interior structures to the extent that the latter are visible in certain areas. These ultra-taut surfaces are deliberately layered and broken up to create voids with the result that the main elements seem to float. The overall effect is both thoroughbred racing eagerness and lean elegance that never feels overstated. The horizontal dash loops stylishly around the central air vents for a sophisticated, sculptural, yet supremely stylish look that is also a nod to the LaFerrari's cockpit. The steering wheel and its commands, the satellite pods on either side of it and the interplay of volumes and contrasting materials, combine to create an extreme cockpit in which all of the various elements are angled towards the all-important driver, around whom the volumes curve to highlight his role.

The beautifully crafted trimming both at the centre of the dash and around the glove compartment create the just right sense of Ferrari's signature combination of the artisanal and the high tech.

The seats follow a diapason design language and exploit that expansiveness to create an interplay of solids and voids that lend character to the seat and backrest. The seats differ from and contrast with the rest of the interior surfaces, thanks to their perforated leather trim which adds a sporty touch to the new styling. In short, taught forms and cleverly structured volumes combine with superb ergonomics and a light sporty language to yield a top-of-the-range seat.

Ferrari's vast Personalisation Programme is, of course, also available to ensure each client can make their 812 Superfast unique and even more tailored to their personal tastes and requirements. As is traditional with each new car, the Programme has been further extended to include a wealth of new optionals specifically developed for the 812 Superfast. Basically, if you've got the money, they sky's the limit. You have got the money, haven't you?

The sort of thing that frequently occupies us here in the *Mayfair* office is questions like, 'If we were stuck on a desert island with just one of the girls who's featured in the mag, who would we choose?'. Look, we sometimes have a bit of time on our hands, alright? Anyway, when we are whiling away a boozy afternoon on such weighty topics, it's become clear that Tommie Jo's name gets a very regular mention. And you can kind of see why, can't you? She'd certainly beat the complete works of Shakespeare and your favourite records!

Ok, so it would probably be divisive (not to mention more than a bit futile!) to try and decide who our favourite twin out of Preeti and Priya Young is, but they're both definitely in our top two! And besides, being a twin probably brings its own problems, without people comparing you to each other all the time...

"Not for me – I love being a twin!" insists Preeti. "OK, it was a bit of an arse when we were small and teachers kept mixing us up, but now I love having someone I'm so close to – who wouldn't?!"

Fair enough. But if you ever fancy getting extra close to someone else, give me a call!

Five issues back Brooke Lea was was taking her first tentative steps into magazine work, having hitherto confined herself to web work – so naturally we're delighted to have her back again! Can we assume your first *Mayfair* appearance has been a positive experience, Brooke?

"Yes you can – it's been amazing! So many new fans have got in touch and said they've seen me in the mag, and begged me to do another shoot for you guys, so here I am. I hope you don't mind..."

Nope – you come back just as often as you want!

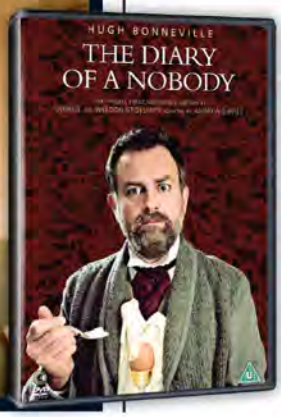
Scene from MAYFAIR

Three more splendid releases this month, which take us from the backwoods of modern America to 1964 Italy via the streets of 1890 London. Something for everyone there, surely!

GET OUT

It's always great when a new director can make a real smash with their first feature, and American comedian and writer Jordan Peele's really nailed it with this one, which received rave reviews when it hit the big screen a few months back and which is now available to view at home. Chris (played by Brit Daniel Kaluuya) and Rose (Allison Williams) are a young interracial couple whose relationship is serious enough that it's time for him to meet her parents at their nicely appointed house in the woods. Well, meeting the parents always provides plenty of comic potential, but it soon becomes clear that there's something far more sinister going on here, as the mother, Missy (Catherine Keener) hypnotizes Chris, initially to get him to quite smoking, but then… well, I ain't going to tell you what happens, but what develops is a cracking horror in which an overbearing sense of unease descends into a truly nightmarish denouement. Deffo worth a look!



THE DIARY OF A NOBODY

Although *Three Men In a Boat* is probably the most fondly remembered comic novel from the late Victorian era, there's a very valid claim that George and Weedon Grossmith's book should take the title. Written at almost exactly the same time as Jerome K. Jerome's masterpiece, it's the clear precursor to all sorts of comic works leading all the way through to Adrian Mole and Bridget Jones. The nobody in question is Charles Pooter, who commences his diary on the day he and his wife move into their new home in Holloway, and it quickly becomes clear that Pooter's brand of pomposity – which is invariably punctured by his friends or his own shortcomings – makes him a timeless comic creation. This four-parter, which first aired 10 years ago, stars Hugh Bonneville and is basically a monologue. Would probably work just as well on the radio, but if you haven't read the book, this is a fine taster.

MARRIAGE ITALIAN STYLE

Marcello Mastroianni and Sophia Loren are certainly two names that conjure up the golden era of post war Italian cinema, and they're united in this offering from director Vittorio De Sica, the man behind the touching *Bicycle Thieves* and *Umberto D*. Well, if that isn't quite enough pedigree for one film then I don't know what is! Mastroianni plays a self-confident businessman who falls for ex-street walker Loren (and who could blame him?) and sets her up to run his shop. Problems start when his roving eye gets the better of him, though, and things start to unravel in typically Italian style. Nominated for a couple of Oscars (best actress and best foreign language film) and bagging a Golden Globe, this is neo-realism at its best, and looks stunning in the remastered reissue.

JAMIE

Age: 25 **Vital Stats:** 32B-24-33 5'5"
Photographer: BBM

It's always a joy to welcome Jamie Jenkins back for a shoot – we've never yet hooked up with her without finding her full of the joys of spring. But how on Earth does she maintain such a sunny disposition – especially when she knows she's going to be spending the afternoon in the company of some of the hangers-on here?

"Oh, I don't know – I guess I'm just naturally optimistic!" she beams. "I'm young, healthy, and have a job that's never boring and that lets me meet new people all the time, so what's there to be gloomy about?!"

Hmm, wise words indeed!

Where there's a will there's a way - but according to our headline flick this issue there's also plenty of hardcore knobbing and funny dubbed dialogue. And quite right too!

DONNA MATILDE

★★★★☆

CAST: Marina Mantero, Alexandra Stein, Cathy Heaven, Candy Alexa, Nataly Von.

Or, to give it it's full title, the Inheritance of Donna Matilde. Blimey, it's not often we get to review a bongo flick that sounds like a bel canto opera! Anyway, yes, this is an Italian flick and is, therefore, dubbed, which to begin with gives it the feeling of one of those 1970s exploitation flicks from the likes of Jess Franco and Tinto Brass. But then I rather like them, so there's no complaints from me!

Things kick off in the notary's office where the will's being read, and Cathy Heaven wastes little time in seducing the reluctant official in order to tease a few salient details out of him. She certainly teases his hefty cock out, gives it a nice slurpy BJ and then bends over the desk for a doggy-style shafting fore and aft.

After that there's a bit more shenanigans about the will before the action proper resumes – a foursome that sees Candy and Nataly taking simultaneous bonings. Rather mumsy Marina picks up the (big pink) baton and runs with it after that, and the good news is everyone ends up happy with the way the will pans out. Quality European scruff with some cracking scenes. **Available from your local sex shop.**

INTERRACIAL NATION

CAST: AJ Applegate, Adriana Chechik, Ana Foxx, Kira Noir, Jennifer White, September Reign.

Anyone who watches *Get Out* (reviewed on page 58) might be forgiven for thinking that interracial relationships are doomed to come to a very sticky end, but I'm delighted to say that, having sat through this flick two or three times, I can report that they generally end very happily indeed. Although yes, they are, as it happens, rather sticky endings in one sense. Dirty blonde AJ Applegate is first up, giving us a bit of a wiggle before the intriguingly named Moe Monster hies into frame. The pair share a passionate and romantic snog before the reason behind Moe's stage name become all to apparent. BJ, 69, doggy and cowgirl all demonstrate just how great a cute blonde girl can look riding a big black cock, although the pop seemed a little dispassionate to me. Other pairings in this nicely mixed-up offering include a great lesbo scene in which Ana and Adriana engage in some great foot fun and squirting action, and veteran stud Tommy Gunn putting nubile nubian September through her paces. Ebony and Ivory action at its best.

Private

FASHION PASSION

CAST: Alexis Crystal, Belle Claire, Cayla Lions, Vanessa Decker, Vinna Red, Violette Pink.

Ha – you've got to tip your cap to the plot device that's used to hold these five scenes together. It seems (as we find out in a rather clunky voiceover) that a cosmetician has made a make-up that contains staggeringly high amounts of pheromones, which means that as soon as a girl dabs a few drops of the stuff on (herself or someone else) she becomes raging nympho! Damn, I wish someone really would invent something like that, don't you?

★★★☆☆

Anyway, the first to fall foul of this dastardly perfume is Belle Claire, a pleasingly-boobed blonde whose portrayal as a make-up artiste quickly turns into a portrayal of a cock-mad splosher! She takes on not only the male model she's tarting up but also the snapper, grappling with their cocks with abandon and getting in the middle of a DP along the way. Umm, but I can't help thinking the lads should be making a gay film together, for some reason. Classiest scene of the lot is probably Carol Decker, who sports suspenders and an interesting pube design throughout, although I have to say I developed something of a hard spot for the very cute Alexis as she took her fella every which way.

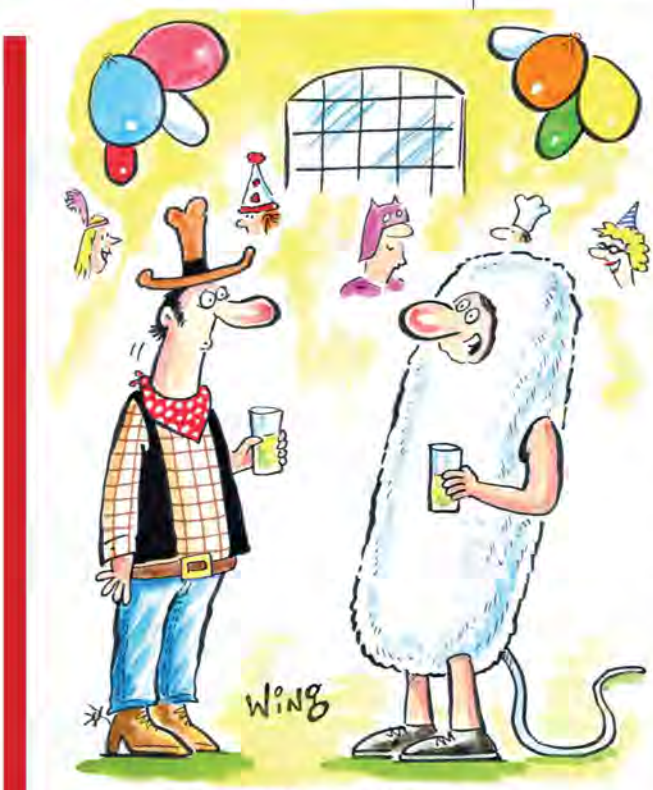
A man is in a pub with his monkey and orders a drink. While he's supping, the monkey jumps up on the pool table, grabs the cue ball and swallows it whole. The barman says to the guy, "Your monkey just swallowed the bloody cue ball!"
"Well, I hope it kills the little bastard, because he's been driving me nuts," the bloke says and leaves the pub.

A month later the same guy's back. He orders a drink and the monkey goes apeshit, finds a grape on the bar, grabs it, sticks it up its arse, then pulls it out and eats it.
"Did you see what your monkey did now?" says the barman. "He stuck a grape up his arse, then pulled it out and ate it."
"What did you expect?" says the man. "Since he ate that fucking cue ball he measures everything first!"



"I've come in period costume."

A doctor had just finished shagging one of his patients and was feeling a bit guilty because he thought it wasn't really ethical to do it. But a little voice in his head said "Don't be so hard on yourself. Lots of other doctors have sex with their patients. Don't worry, you're not the first." This made the doctor feel a bit better... until yet another voice in his head said, "Mind you, they probably aren't vets."

A woman is walking home in the rain when she comes across three dogs.
"What's your name, then?" she says to the first dog.
Incredibly, the dog answers her. "My name's Rover and I've had a great day jumping in and out of puddles."
The woman is amazed. She turns to the next dog. "And what's your name?"
Unbelievably, the second dog also answers her, "I'm Bonzo and I've had a great day jumping in and out of puddles too."
"And what about you?" she says, turning to the last dog.
"My name's Puddles," says the dog. "And I've had a fucking terrible day."

A little girl comes home from school and proudly announces that she knows how babies are made. Her mum smiles and asks her daughter how it happens.
"Well, the mummy and the daddy take off all their clothes. Then the daddy gets his willy ready and puts it in the mummy's mouth. Then after a bit something happens and then they get a baby," says the little girl.
The mum smiles again. "Oh darling, that's not how babies are made. That's where jewellery comes from."

A man goes into a bar and gets himself a beer just as Donald Trump appears on the television. After a few sips he looks up at the television and mumbles, "I'd rather fuck a horse than listen to that twat." A guy sitting next to him turns round and slaps him.
Then Donald Trump's wife suddenly pops up on the screen. "I'd rather fuck a horse than listen to her," the man says.
A customer at the other end of the bar stands up, walks over and knocks him off his stool.
"Bloody hell," the man says, staggering back onto to his feet. "This must be Trump country!"
"Fuck off!" says the barman. "This is horse country."

A couple are celebrating their 50th anniversary. George says to Esther, "I was wondering, darling, whether in all the time we've been together you ever cheated on me?" Esther is a bit taken aback.
"Oh, darling. Why would you want to ask me such a question today of all days?"
"I just need to know," says George.
After a bit more persuasion Esther says, "Alright George. I do confess I cheated on you three times," then starts to explain herself. "The first time was when you were 30. Do you remember how you wanted to start your business but no bank would give you a loan. Then the bank manager came to the house and said you could have the loan..."
"Oh baby, you did that for me? Incredible!"
"And do you remember when you had that heart attack when you were 50 and you needed that dangerous operation and no surgeon was prepared to do it? Then remember how Dr. Adams changed his mind?"
"You did it to save my life!" said George. "And the third time?"
"Well," said Esther. "You remember last year when you wanted to be Chairman at the golf club and you were 14 votes short?"

Two clowns are eating a cannibal when one turns to the other and says, " I think we've got this joke wrong."

A gay man decides that it's time to tell his mum about his sexuality. When he gets to her house his mother is in the kitchen cooking dinner. He sits down and says, "Mum, I'm gay."
After pausing for a few seconds his mum stops stirring the pot, turns to him and calmly says, "So if you're gay that means you put other men's penises in your mouth, does it?" The bloke nods his head.
"Well, yes – sometimes," he says.
His mum walks over and belts him round the head really hard. "Well don't you ever complain about my cooking again!"

CHLOE

Age: 22 Vital Stats: 32B-27-37 5'3"
Photographer: BBM

When we first features the delectable Chloe Toy a couple of years or so ago she was a gamine little thing and look at her now – she's still one, isn't she?! Not that she's any the worse for that, of course!

"Well I should think not! Some of us are designed to be all curvy and some of us have a more svelte shape – it takes all sorts, after all!" she says, and who are we to argue? It's just that everyone else in the office seems to be filling out a bit these days, and Chloe stands as a reminder of what we had and lost. Or, more accurately, never got to have in the first place!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I really highly sexed, especially for a woman, and have been since my teens. I have to admit that I'm one of those girls who has the kind of predatory sex drive like a twenty-something lad. In fact I have gone through guys like there's no tomorrow! Quite often my attitude has been "fuck 'em", and that's just what I've done - I've fucked them! I know that probably makes me a slag, but I don't give a toss. Men want to shag me, and I can't help but want to be fucked. OK, so I might be a nymphomaniac - I don't care. Cock is in plentiful supply, and that's all I ask!

Of course, being so cock hungry, it takes a very special bloke to keep me in check, and it's hard to find one. In fact until I met Gary I'd never had a relationship last more than about a month, unsurprisingly.

I've been with Gary for over a year now. He understands how I am and he lets me play away whenever I need some variety, just like I let him go on a minge binge of his own every now and then. I always need his cock after I've been with another guy though. I think he's the one guy for me – as long as he's not the only guy!

Anyway, a couple of weeks ago he suggested that as I like cock so much that we bring in another bloke for a threesome, for the first time in our relationship. I didn't have to think twice about that. Two cocks at once – oh yeah! I was already planning where I wanted those dicks to go and exactly what I was going to do with them...

After discounting everyone and anyone we knew to get involved, we arranged the night to do the deed and decided on our course of action– we'd go ahead with our plan that coming Saturday night. I'd go out on the pull, and bring the fella back. Then I'd get that two-cock action that I now craved.

Saturday came and I spent some time properly tarting myself up before heading out. I had so much flesh on show that if I just brushed up against a guy, I'd virtually be getting off with him! I left Gary at home – I think he was quite excited about the thought of seeing me take another guy's cock too. When I arrived at the club I knew I was going to be spoiled for choice. As son as I walked in I clocked lots of horny guys, and I hadn't even had the opportunity to go hunting for any yet! I think men call it 'sharking'... Prowling round a club until you spot your prey.

> "I FELT HIS THICK COCKHEAD PUSH MY PUSSY LIPS APART AS HE EASED HIS PRICK DEEP INTO ME."

After wandering round the place a few times, checking out all the hotties, I decided that I actually wasn't interested in any of them. They were all a bit showy or pretty for my tastes. However, I soon found the guy I wanted – Tony. I'd fucked him a couple of times before, and I know he's up for anything. Because of this, I felt able to clue him on the plans I had for the evening. I explained to him what I had in mind, and he agreed readily. And it wasn't too long until we were heading back to my place.

Gary was pleased to see us and was obviously ready to get down to business. So was I – my pussy was soaking with the anticipation of being satisfied by two big cocks!

Name: DENISE
Age: 29
From: PRESTON

I told them both to sit down, and then I put on some music: a bit of 90s' R&B, as it's the sexiest music I know! Then I treated them to a sexy strip. As I wasn't wearing much it didn't take long, but I could see my grinding and twerking had got the lads hard. I ordered them to take their clothes off – I wanted to get hold of their cocks now! My cunt was aching with anticipation of what was to

come and as I knew Gary was so keen on seeing me getting fucked by another man, I told Tony fill me with his dick. I got down on all fours on the floor – I figured that it would be the best position to give both guys total access to me. Tony moved in behind me and I felt his thick cockhead push my pussy lips apart as he eased his prick deep into me.

I looked up at Gary and saw his approval. I motioned to him, and he knelt in front of my face so I could suck his cock. I swallowed as much of his shaft as I could, deep-throating his dick as much as possible. I was full at both ends with man-meat and it felt wonderful! Tony was giving my snatch the full treatment, fucking me hard. I would have been gasping with pleasure under normal circumstances, but as my mouth was stuffed with dick I couldn't make a sound except for muffled moans.

My fuckhole was being stretched wide open by Tony's fat cock, and he was rubbing my clit too. Each time he slammed his prick into me he'd twang my bud. I swirled my tongue around Gary's cock as he fucked my face. It's lucky I'm used to giving head so deep, otherwise I might have gagged on his tool!

Gary pulled his dick out of my mouth and asked me if I was enjoying taking two cocks at once. "I'm fucking loving it!" I answered before he shut me up again by ramming his prick back into my mouth.

Tony's relentless drilling of my pussy, flicking of my clit, and now, light spanking of my arse as he fucked me, was getting me off and I realised I was starting to climax! I pushed Gary's cock out of my mouth so I could breathe easier. I wanked him furiously instead. He knew I was going to come. I was moaning and my body jolted with the first tremors of orgasm. When I finally came I couldn't do anything for a few seconds. Then, as I resumed wanking Gary's cock into my mouth he erupted spunk over my lips and tongue.

Tony shouted, "Yes!", pulled his fat cock out of my cunt and sprayed hot semen over my arse, icing my cheeks with his cream.

Gary and I both thoroughly enjoyed that night and have spoken about repeating the experience, either with Tony again, or finding new meat, so to speak. I cannot wait! If it's as good as this was, I'll definitely write in to *Mayfair* again and tell you all about it!

"MY FUCKHOLE WAS BEING STRETCHED WIDE OPEN BY TONY'S FAT COCK..."

Despite being very respectable ladies, my friend Tina and I have developed a penchant for watching the odd porno movie together. It always makes me smile when people assume women don't like porn – but believe me, we certainly do! Anyway, one evening, Tina and I were engrossed in a porn scene that involved a woman being fucked in her mouth and her pussy

at the same time. She was bent double and the two guys were really hammering into her. I got so turned on watching it that, without thinking, I turned to Tina and remarked, "I'd love to have two guys at the same time."

"I LOOKED OVER TO THE CORNER AT TINA AND SAW SHE WAS MASTURBATING AS SHE WATCHED US."

She knocked me for six when she said, "You mean you haven't? I'm surprised, Jane. It feels so amazing!"

I'd always assumed I was more experienced than she was, and I thought I knew all there was to know about her but this was the first time she'd admitted to having a threesome. She then began giving me an account of what had happened to her, and planted an image in mind that I couldn't get rid of, and as sexy as it was, I felt the thought gnawing away at my brain slightly.

Weeks later – and a few days before my birthday – Tina rang for a chat, and asked me to meet her at our local wine bar for a drink after work the following day. This wasn't unusual – especially if she was having dramas – but she sounded slightly weird about the whole thing, and I couldn't help but wonder if she was up to something. I braced myself as I headed out to meet her.

When I arrived, I found Tina sat with two guys, Mark and Joe, and at first I thought she was trying to set me up on a double date. I wasn't bothered or offended by this; Tina and I have very similar tastes in men, and these two were no exception. We all had a few drinks and got to know each other, and I found that they were not only very good-looking, but they were funny and intelligent, too – I didn't know who Tina was planning to set me up with, but I would've been happy with either of them! The boys kept the drinks flowing until last orders, when I invited everyone back to my flat.

After popping open a bottle of champers and pouring it out, Tina cleared her throat, as if to start a speech. "Happy birthday, my darling Jane! This is my present to you; you're going to have them both!" she told me to my amazement and I remembered the conversation we'd had all those weeks back.

"You can't be serious," I said staring at them both, a little embarrassed and a bit drunk.

But when Mark began kissing me really deeply and Joe came and wrapped his arms around me from behind I started to loosen up, quickly making the decision to enjoy the experience.

Pretty soon we were all naked. Mark was still concentrating on my mouth, Joe on my tits then slowly stroking his hands down my belly, moving them around and caressing my bottom with the flat of his hands. And as I started to get more confident I touched them back, reaching back around me to run my fingers over Joe's stiff cock then, with my other hand, running my fingers over Mark's thick meat. Mark slipped a hand between my legs, rubbing my pussy juices back and forth over my slippery slit and I closed my eyes, enjoying it. The sensation of four hands feeling me was so intense that my legs buckled and, somehow, I ended up on the floor with Mark's cock sliding into my mouth and Joe licking up and down my arse crack.

"MARK SLIPPED A HAND BETWEEN MY LEGS, RUBBING MY PUSSY JUICES BACK AND FORTH OVER MY SLIT."

"Stand up, gorgeous," Joe said, "and grip Mark's hips." So, with Joe's help I stood up, keeping my lips enveloped around Mark's cock and straightened my legs so that my bottom was raised and my shoulders and head were level with his crotch.

I felt Joe fingering my pussy, then sliding

a couple into my dripping slot and start to finger fuck me while Mark took some deep breaths and kept very still, hardly daring to move. Two hands spread my bum cheeks apart and Joe eased a slippery finger into my anus, then two, wriggling them about a bit, stretching and coaxing my rectum open.

When his fat helmet nudged against my little puckered hole I gasped and held my breath. I could feel he was taking his time, and when he slipped it into my cunt to lube it enough for my arse, I relaxed even more and tried my best to loosen my anal muscles.

Once more I felt his helmet nudging my arsehole and once again I held my breath but this time he didn't stop. Instead, he kept pushing, easing it past the tight ridges, and stretching me wide open. Once his fat helmet was in, however, he was able to slide, inch-by-inch, into my rectum and, once the shock of being stretched so much subsided, and I finally began to enjoy the sensation of having his thick cock buried in my bottom.

As soon as his dick was buried in my arse, Mark began easing back out of my mouth and both men started thrusting in and out, quickly establishing a rhythm. Within seconds they were fucking both ends really hard, their deep, penetrating thrusts forcing me back and forth so much that my tits swung about.

It was incredible, everything I'd imagined it to be. I'd wanted to have my arse and mouth fucked at the same time and it was happening; I couldn't believe it. I'd never have believed either, how hard and deep I could take it but, as Joe rammed into my arsehole and Mark thoroughly fucked my eager mouth, steaming down my throat like a man possessed, I revelled in the power I had over two guys and my ability to give them both pleasure at once.

I looked over to the corner at Tina and saw that she was masturbating as she watched us. Joe gripped my hips and pounded my bottom and grunted loudly, increasing my feelings of wantonness. And, despite being thrown backwards and forwards, I was able to keep hold of Mark with one hand and slip the other down to my pussy and furiously finger fuck myself.

Moments later a truly incredible climax ripped through my body and, as I gasped and panted onto Mark's cock, he groaned and stiffened, before spraying a huge wad of thick spunk all over my tongue, then wiped the end of his dick all over my lips and chin.

I don't know if it was my fanny muscles convulsing around his shaft, but immediately after that, Joe groaned too, and came deep inside me, before pulling out and splashing my arse with what was left of his sticky load. Collapsing onto the carpet at their feet with jizz coating my chin, dribbling from my arsehole and running down my thighs, I felt more satisfied than I'd ever been in my life, and, much later when Tina asked if I'd enjoyed it, I told her it was the best birthday present she could have given me. I've got the best mate in the world, and I am one lucky girl!

SANDY

MAYFAIR
Classic

A Midlands boxing club was the venue for 20-year-old Sandy's top-heavy-weight title fight. There were two round ones and a knockout pose against the ropes before the referee judged that there was too much going on below the belt and the bell ended the bout. "It was no contest, especially as I was the only one in the ring!" laughed the breathless Bournemouth babe, wiping the perspiration from

MAYFAIR Classic

It was nigh on 24 years ago that Sandy here was posing in a boxing ring in order to give Mayfair readers of the time a treat, which makes it 1993. Doesn't seem that long ago really, does it? Still, she certainly does look at home in the ring, even if her previous scrapping experience really did only extend to trying to pull boys' pants down! We don't imagine too many of them could have complained, if these pics are anything to go by!

her boobs. "Maybe next time you'll get me Lennox Lewis to match up to. I wouldn't mind sparring with him anyday!" added our pretty Page Three regular, who claims she hasn't scrapped with anyone since she was back at school. "And even then I only fought with boys so I could try and pull their pants down and see their willies!"

On Sale Sept 20th

It's always a bit of a shock to the system when, just as you're enjoying the sqaully early August weather, you hear talk on the radio that the football season's going to be kicking off shortly! And did I hear that some department store has unveiled its Christmas display already?! Blimey, life's whizzing past quickly enough without people wishing the next few months away. Why apart from anything else there are plenty of good things in store over the next few months – things like, oh, off the top of my head... *Mayfair* 52.10! Newbie Mia Middleton's definitely worth a shufty, for starters!
